MAKE THE SMARTEST CHOICE THIS SEASON

AND CHOOSE VEGGIES FROM MEXICO

#1

We believe in sustainable and fair practices, ensuring healthy, safe and delicious vegetables from farm to table.

#2

Our members are based in Sinaloa, a key growing region that produces the tomatoes, cucumbers, bell peppers and the green beans you need.

#3

Partnering with our grower-shippers means choosing premium quality programs, all of which are food safety and social responsibility certified and audited weekly.
